Personal information

First name(s) / Surname(s) **CLAUDIO BELLINO**
Address 44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Telephone(s) +390116709075 Mobile | -
Fax(es) +390116709083
E-mail(s) claudio.bellino@unito.it
Nationality ITALIAN
Date of birth 27 September 1974
Gender Male

Work experience

Dates 05 March 2012
Occupation or position held TEACHING ACTIVITY AS ASSISTANT PROFESSOR
Main activities and responsibilities Co-advisor of 7 Veterinary students trained for experimental thesis (Bovine Internal Medicine).
Name and address of employer Department of Animal Pathology
44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Type of business or sector Faculty of Veterinary Medicine, University of Turin

Dates November 2010 → Present
Occupation or position held ASSISTANT PROFESSOR
Main activities and responsibilities Involved in the management of cases related to bovine herd health management under the supervision of Prof. Antonio D'Angelo (DVM, PhD, Dip. ECBHM, Dip. ECVN) and Prof. Aurelio Cagnasso (DVM, Dip. ECBHM).
Name and address of employer Department of Animal Pathology
44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Type of business or sector Faculty of Veterinary Medicine, University of Turin, Italy

Dates 01 September 2009 - 01 November 2010
Occupation or position held Research Grant
Main activities and responsibilities "Administration of therapeutic and anabolic doses of hormonal substances: clinical, endocrine and immunological alterations". Scientific advisor Prof. Antonio D'Angelo (DVM, PhD, Dip. ECBHM, Dip. ECVN)
Name and address of employer Department of Animal Pathology
44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Type of business or sector Faculty of Veterinary Medicine, University of Turin

Dates 07 January 2009 - 06 July 2009
Occupation or position held Research Grant
Main activities and responsibilities "Aetiology investigation and risk analysis of the neurological zoonosis of the domestic animals" Scientific advisor Prof. Antonio D'Angelo (DVM, PhD, Dip. ECBHM, Dip. ECVN).
Name and address of employer Department of Animal Pathology
44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)

Type of business or sector	Faculty of Veterinary Medicine, University of Turin
Dates	2008 → Present
Occupation or position held	TEACHING ACTIVITY AS ASSISTANT PROFESSOR
Main activities and responsibilities	Practical seminars of continuing education for veterinary students. Course title: "Veterinary Physical Examination and Diagnostics" (36h/year). Topics on physical examination of respiratory, cardiovascular and alimentary systems in bovines.
Name and address of employer	Department of Animal Pathology 44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Type of business or sector	Faculty of Veterinary Medicine, University of Turin
Dates	01 October 2003 - 31 October 2004
Occupation or position held	Research grant financed by the Piedmont Region
Main activities and responsibilities	"Influence of the immune passive transfer on the diseases development in veal calves". Scientific advisor Prof. Aurelio Cagnasso (DVM, Dip. ECBHM).
Name and address of employer	Department of Animal Pathology 44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Type of business or sector	Faculty of Veterinary Medicine, University of Turin

Education and training

Dates	September 2011 → Present
Principal subjects / occupational skills covered	Involved in bovine surgery activity in the field under the supervision of the Prof. André Desrochers (DVM, MS, Dip. ECBHM, Dip. ACVS).
Name and type of organisation providing education and training	Department of Animal Pathology 44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Dates	21 May 2009 - 23 May 2009
Title of qualification awarded	Speaker of original work at scientific meeting
Principal subjects / occupational skills covered	Development of a diagnostic diagram for rapid field assessment of acidosis severity in diarrheic calves. Journal of the Italian Association for Buiatrics, vol.4 (1), pp. 29-36.
Name and type of organisation providing education and training	Italian Association for Buiatrics VERONA (Italy)
Dates	2005 → Present
Title of qualification awarded	Attendant to International Congress
Principal subjects / occupational skills covered	4th Annual Congress of the Italian Association of Farm Animal Practitioners (SIVAR).
Name and type of organisation providing education and training	Italian Association of Farm Animal Practitioners (SIVAR)
Dates	06 May 2004 - 08 May 2004
Title of qualification awarded	Speaker of original work at scientific meeting
Principal subjects / occupational skills covered	"Influence of the immune passive transfer on diseases development in veal calves". Proc. of XXXVI National Congress of the Italian Association for Buiatrics, pp. 219-22.
Name and type of organisation providing education and training	Italian Association for Buiatrics Salsomaggiore (Italy)
Dates	November 2000 - April 2004
Title of qualification awarded	PhD in Veterinary Clinical Sciences
Principal subjects / occupational skills covered	Thesis on "Effect of road transportation on hormone levels, lymphocyte receptors and immune system in calves". Thesis advisors: Prof. A. Cagnasso (DVM, Dip.

Name and type of organisation providing education and training	ECBHM), Prof.ssa O. Abate (DPS). Department of Animal Pathology (Faculty of Veterinary Medicine, University of Turin) 44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)
Dates	17 May 2002 - 19 May 2002
Title of qualification awarded	Speaker of original work at scientific meetings
Principal subjects / occupational skills covered	Cortisol levels and lymphocyte glucocorticoid (GR) receptors modifications induced by transportation stress in calves. Proc of XXXIV° National Congress of the Italian Association for Buiatrics.
Name and type of organisation providing education and training	Italian Association for Buiatrics Marina di Ravenna (Italy)
Dates	2002 → Present
Title of qualification awarded	Attendant to National Congress
Principal subjects / occupational skills covered	7th Annual Congress of the ITALIAN ASSOCIATION FOR BUIATRICS (SIB)
Name and type of organisation providing education and training	ITALIAN ASSOCIATION FOR BUIATRICS (SIB)
Dates	28 September 2000
Title of qualification awarded	DVM
Principal subjects / occupational skills covered	Thesis on “Diagnosis of bovine ketosis – Comparative investigation on methods for the detection of ketone bodies in urine, blood and milk”. Score 109/110, thesis advisor: Prof. U. Dotta (DVM), co-advisor: Prof. A. Cagnasso (DVM, Dip. ECBHM).
Name and type of organisation providing education and training	Faculty of Veterinary Medicine, University of Turin 44 VIA L. DA VINCI, 10095 GRUGLIASCO (Italy)

Personal skills and competences

Mother tongue(s) **Italian**

Other language(s)

Self-assessment
European level ()*

(*) [Common European Framework of Reference \(CEF\) level](#)

Computer skills and competences
Competent with most Microsoft Office programmes and some software for Statistical Computing

Driving licence(s)
C, D, A, B

Additional information

Invited speaker at the seminar “Clinical and diagnostic approach to neonatal diarrhoea in calves”. Cherasco (CN), Italy. Supported by Farmaceutici Gellini S.r.l, a part of Schering-Plough Corporation. 26 February 2009.

Membership of professional organisations:
ITALIAN ASSOCIATION FOR BUIATRICS (SIB);
ITALIAN ASSOCIATION OF FARM ANIMALS PRACTITIONERS (SIVAR).

Annexes
